Dear Tim - I recorded a dozen handwritten pages of
Conversation which I'll type + send up soon as I
have time, or bring with me + type them sometime
mid-Feb. [I found it, it was sent today]

~~Burroughs piece is I think reproduced in Grove Ed.~~
~~of dated bunch.~~ I'll look up the Evergreen as soon as I can
get over to Grove Press - + send it to you with Book on 19th
Century Utopian Communities in U.S. + Page Letters which is
now out. Sorry I'm so slow getting these done, first that I'm
working all the time with ^RFrank + disorganized in all other
departments - Love to Peggy - Allen.
